MAY 1988

Dear GTOACO:

Hello! My name is Greg Johnson and I'm proud to be associated with car club. When I sold my '68, I got to meet some very nice fellow members. They treated me like a friend and even helped me sell my "Baby". There are a lot of us out here in Central Ohio who appreciate good cars and good people.

My '71 GTO has been a source of aggravation, pleasure, pride, a lot of work, and some knick-names some of you may have. To the Pontiac dealer, the NAPA clerks, the 40 Acres J.Y. man, and the guys at Performance Research, I am Mr. GTO or Mr. Pontiac. This is a distinction earned by all the Green type of improvements I've made on my orange baby. Who said I wouldn't ever be famous?

Bet there are a lot of other Mr.-Ms. Pontiacs out there in Central Ohio! And the best part is teaching all those Chevy boys just how well our GTO's run.

Education is a great thing!

Sincerely,

Greg Johnson

Greg lives at 754 Celine Ct., W. Jefferson, Oh with his wife Vickie and children Mitchie and Jakie. He owns at 71 Orange GTO.

April 13, 1988 Meeting

April meeting of GTOACO was called to order by Prez Donna Landis at the Bonanza Restaurant. Treasurer report treasury has \$679.84.

There wer some new faces at meeting Jerry Brownfield, and Mike Segna and family.

Old Business: Nick Anspach wrote letter to Mr. Jim Wanger concerning his offer to show us his presentation. He responded that he needed two rooms for one night and airfare. It was decided that at this time we were not able to meet these requirements. Nick will write a letter to him stating our decision. This presentation will be shown at the Nationals for those of you attending.

Spring Show: Jim Evans has lined up thru numerous phone calls volunteers to work. If anyone is interested in helping if even for only a few hours please contact Jim at (614) 927-5302. Richard Whaley checked on name tags for the show and thought the price was a little high. Jeff Inskeep is to check out prices with his sources. Richard Whaley is tying up loose ends with Dave Gill Pontiac.

New Business: Discussion on changing meeting site time and day during summer hours. Some discussion on holding meetings at cruises. It was decided to wait until after Spring Show to discuss this further as this is time when cruised will be starting.

Nationals: Need volunteers to help work at Nationals if interested contact Jeff Inskeep (614) 891-6679.

There will be a convoy of our members to the Nationals. At this time members who are planning to attend are Whaley's, Blankenship's, Landis's, and Anspach's. One member who want to take the easy way out Jeff Inskeep is flying. He doesn't know it yet but he has to take the floor jack with him. If anyone else is interested in going please contact Donna Landis (614) 852-1742 or Richard Whaley (614) 837-4372. We need to firm up this list as soon as possible. If you are planning to attend you need to get hotel reservations made as soon as possible.

Cruise: Jim Evans presented info on cruise from Lancaster to Marysville. If you are interested and need flyer or information contact him.

Club Event: May 7 club members are meeting at Inskeep Printing Office on Dublin-Granville Rd to travel together as group to PaceMakers Drag Strip Rt. # 3, Mt. Vernon, Ohio. We are to meet at 4:30pm. Highlight of night is we all get to see Jeff Toms fellow GTOACO member in action with his 69 GTO. Cost is \$6.00 per person including pit pass. \$15.00 for street racing, car and driver if any fellow members are brave. If you want to attend please contact Richard Whaley, Donna Landis or Jeff Inskeep so that we don't leave without you. Come on out see fellow club members and cheer on Jeff Toms lets all have a great time.

50/50 Drawing. Using Nick Anspach's hat Candace Whaley drew out Nick Anspach's number.

Jeff Inskeep brought to club's attention an article in High Performance Pontiac. It seems Wilmerding PA has been dethroned as GTO capital of small town America by Lithopolis, Ohio, hometown of Richard and Nancy Whaley. There are 5 GTO's for 750 people in Lithopolis.
