GTOACO Board of Directors Meeting February 23, 1992

Members in attendance were Jim Evans, Richard, Nancy Whaley, Neal Blankenship, Dave, Jan Benson, Mark Baker, Andy Syrkin.

Discussion was held on the \$2500 that Aaron committed to us. He stated that we could do with it as we saw fit. Some of the suggestions were to do as a raffle with on the participants getting the money, giving money to best of show and best of each class and three places per class, or to turn down the \$2500 and explain to whoever asked why we were not giving out money.

Neal stated that we would loose our amature status and Andy stated that he might have trouble getting people to judge. Dave suggested door prizes and some of this to be in money. Mark suggested buying savings bonds. Other suggestions were to give a token amount to each best of car and the rest in door prizes, Neal suggested take the money and spend more on advertising then give rest in gift certificates. Dave suggested door prizes and raffle but everyone decided this wouldn't draw more cars.

Aaron wants a bigger show. He wants to bring in TV coverage, radio station for five hours and for us to take money at the gate to be given to a local charity of which he wants either to be Children's Hospital or March of Dimes. If we do this then he can get the TV coverage and make the show bigger.

Andy and Neal both felt that we should explain to Aaron that this is a hobby and is not professional and thats why we have a hard time deciding what to do about this money.

Aaron will still do advertising and pay for the trophies the same as he did last year. He wants us to draw in more cars.

Vote was taken on whether or not to accept the money of \$2500. This carried. Dave and Jan made motion to given token amount of money for each class and the rest or \$750 for door prizes. Motion carried.

March 11, 1992 Meeting At Dennis Pontiac

Meeting was called to order by Jim Evans at 7:00P.M. Members in attendance were Dave Benson, Mark Baker, Bill Barton, Richard & Nancy Whaley, Jim Evans Gary & Margaret Turnmire, Jim Lowry, Frank Block, Geoff Ludwig, Kevin Johnston.

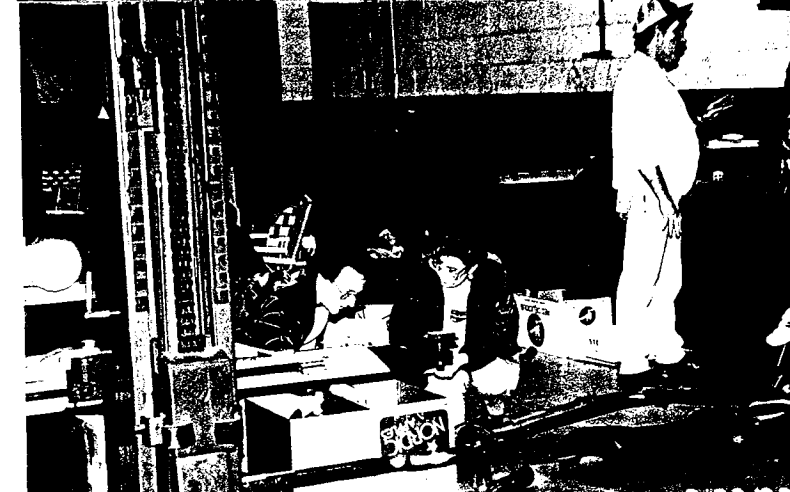

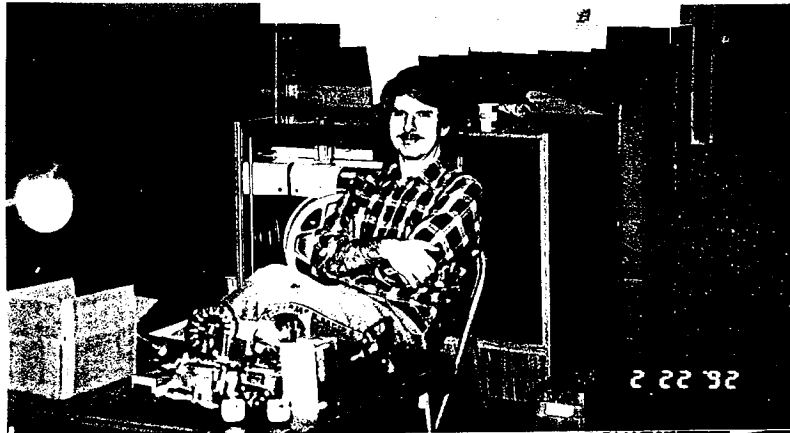

The Winter Swap Meet was a great success. Many thanks goes to Mark Baker for handling this meet. We had to turn away 30 vendors but next year Aaron has offered us all three buildings for our use.

Local Show 92. Aaron Masterson of Dennis Pontiac has a new publicity man who will be working with us. Dave Benson chairman stated that he will be doing a lot of advertising. We had a board meeting the day of the swap meet and the board discussed what to do with the \$2500 that Aaron has offered to us. Dennis Pontiac will still be purchasing all the trophies in addition to this \$2500. The board decided to accept the \$2500. Out of that \$2500 they set aside \$750 for door prizes for participants only. There will be a donation collected at the gate that will be given to Children's Hospital. Aaron wanted to support a charity and gave us names of ones he would like to see us support. The club decided to choose Children's Hospital. Jim will discuss this with Aaron and see if we can get in contact with the people who will collect the donation at the gate so we know how and for sure this is going to happen before we put it on the flyers. There was discussion about the club purchasing door prizes for everyone else who would have to purchase tickets at the show. It was put in form of motion by Jeff Inskeep that at time of the show at awards, the club would announce how much money in addition to 50/50 drawing would be given to the charity. The board of directors will decide how much money to be given the day of the show.

Food vendor Dave Benson will contact the Burger Bus and see if they will do the food or else we will use the same people as last year. Jim will talk to Aaron about the music as we have already scheduled a DJ and Aaron wants to get the radio stations into the show.

Bowling Outing: April 11 Main Lanes 7:00p.m. cost is \$2.55 a lane, there will be separate lanes for the kids, shoe rental is free if we get over 20 people there. Cash prizes will be given for winners of the scotch doubles. These people already stated they would be there Jeff & Pat Ludwig, Diane & Jim Evans, Jeff & Lynn Inskeep, Nancy & Richard Whaley, Dave & Jan Benson. If you are planning on attending please call Jim at 614 927-5302 ASAP.

There was a survey in the Paw Prints that Jim wanted everyone to respond to. Bill Barton explained the survey. He wants to award points for attending meetings, show, cruises, christmas party, bowling etc. everything that our club does. He wants to exclude the officers from these points as he stated they are required to attend these functions as officers. Bill stated that he would take care of the books for keeping track of these points. He also stated wants a winner circle for next years show. Where the winners of each class would set out for the next year. It was brought to his attention that would mean taking out at least 17 maybe more cars and we couldn't have a very good show if all these cars could not compete next year. It was suggested that only the best of cars should be in the winners circle. Bill wants this voted on by the members and not the board. He also wants points given for factory original driven cars. Bill wants to see 50% response from the
