March 1997 GTOACO Meeting

Meeting was called to order by Jim Evans.

Summer Show: Dan Gregory is show chairperson, Jeff Frazier Steve Salerno parking, Richard Whaley trophies, Nancy Whaley food, Monetta Johnston door prizes. \$350. for door prizes. Club is offering \$100 to largest club participation. Discussion on using old trophies for longest distance, participant choice, sales person choice.

GTOAA Nationals : You need to get your hotel reservations in now. Several club members are going.

Car Show: Jim presented info on NAPA auto parts car show May 9-11 at Ohio Exposition Center. They ask us to bring cars, which will be put in building and they will pay the club to have cars there. Cars must be there on Friday until Sunday til approx 6:00 p.m. They will pay \$10.00 a car up to \$150. plus our admission is free. People slated to be there are Rusty Wallace, Dale Earnhart, Tim Allen, there will be cars for sale. Want to have a min. of 500 classic cars there. Jim will do calling to see if people interested.

Frank Block ask if anyone had ideas for cruisin or show. He wants to plan another outing.

We are encouraging our members to join the GTOAA. They put out a great monthly magazine called The Legend. See club officers for forms.

There was discussion on year 2000 nationals in Columbus. Dan presented facts on race track.

Door prize winners Steve Salerno and Bill Hartley

50/50 winner Steve Schaeffer

THE SILVER GHOST

BY STEVE SCHAEFFER

A friend spotted her. A real 66 GTO sitting in an auto salvage yard in Colorado. The dog house was gone and she had a dead 428 where the 389 once lived. The beauty of the deal was it was rust free. No rust holes in the floor, quarters, doors, etc. I bought it sight unseen and has it transported back to Ohio.

It took a year and a half of hard work to bring her back to life. I now have a brand new 66 GTO!! The car is totally rebuilt fro bumper to bumper! The stock appearing 389 has 462 cubic inches and a Crane blueprint 068 cam. The power goes through a turbine 300 auto transmission to a 323 posi rear end. The car was loaded with options from the factory. It has power steering, power brakes, tilt, tint, air, and even dual map lights that are factory.

The body is probably straighter than when it left the factory. The paint is base coat, clear coat. The reproduced upholstery from Year One looks like new. The black vinyl top on a silver car is really sharp.

She is ready to drive anywhere! People stop and stare, men my age tell me about the GTO they once had. Pontiac built excitement in 1966!!!

Fellow GTO Fans:

Hear it is April and everything is turning green and it's time to start thinking about car shows, cruise-ins, and other car-related things. At the meeting we have been talking about the Car Wars car show at the state fairgrounds on May 9th -11th. As a club we want to have as many club members as we can at the show with their cars. This may be one of our best chances of ever getting to be inside with our cars as a club. We are looking to get at least 15 GTO'S for this show. It would be nice to have one of each year but I don't think we will be able to do that. We need as many as we can get. I have finely got word when they want us to have our cars at the fairgrounds. We will be able to get them in, Thursday May 8th, between 4pm and 9pm. I know it will be hard for some members but let's try to get as many as we can. I will be calling to find out if you are interested in this project. Remember you don't have to have a concourse car to bring it to this show. We want you and your car to be there.

The new club roster is in this newsletter so please take some time to look it over and see if all the information is right. I don't think we have all the GTOAA numbers for everyone. Please call me 614-927-5302 or fax 614-927-4GTO any information that needs changed. We need to keep this up to date. Thank you.

We need to know how many club members are going to the GTOAA nationals this year in Atlanta, Ga. If you are going you should have your reservations by now. If you don't, you should call as soon as possible. The number for the Gwinnett Place Marriott is 1-770-923-1775. Don't forget to mention the GTOAA!

Our car show will be on July 20th this year and as always we will need a lot of help. When I call for the show at the state fairgrounds I will be asking about our show.

The turnout for our club meetings has been very good the last few months and I now look forward every month to going to Dennis Pontiac to the meetings. It is no fun to go to the meetings when only a few members show up. This has not been the case this year and I think it makes our club strong. If you have not been to the club meeting and get the chance you should try to make it. Hope to have a good turnout next meeting. See you there!

So long for now

NO. 65-53

SUBJECT: 1965 PONTIAC AND TEMPEST ENGINE OIL CAPACITY *W*

There has been some confusion regarding the engine oil capacity of the 1965 Pontiac and Tempest engines.

The oil capacity for all V-8 engines, Pontiac and Tempest, is 5 qts. without a filter change and 6 qts. with a filter change. The Tempest 6-cylinder engine has an oil capacity of 4 qts. without a filter change and 5 qts. with a filter change.

	Filter Change	
	Without	With
Pontiac & Tempest All 8-Cyl.	5 qts.	6 qts.
Tempest 6 Cyl.	4 qts.	5 qts.

When checking engine oil level, the readings on the dip stick may fluctuate depending upon the engine oil temperature and drain-back period.

With a cool engine, the oil has had a chance to drain down into the pan resulting in a proper dip stick reading; in some cases, slightly above the full mark.

IMPORTANT THAT ALL DEALER SERVICE PERSONNEL READ. PLEASE INITIAL.

SUBJECT: GTO AND 2+2 DECOR STRIPE INSTALLATION

1. Wipe area to be striped with a wax removing solvent and a clean cloth.

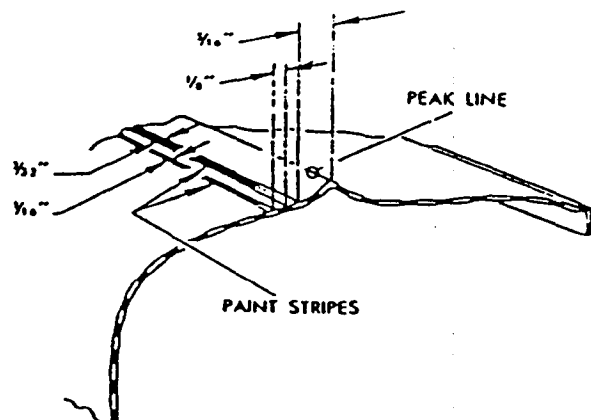

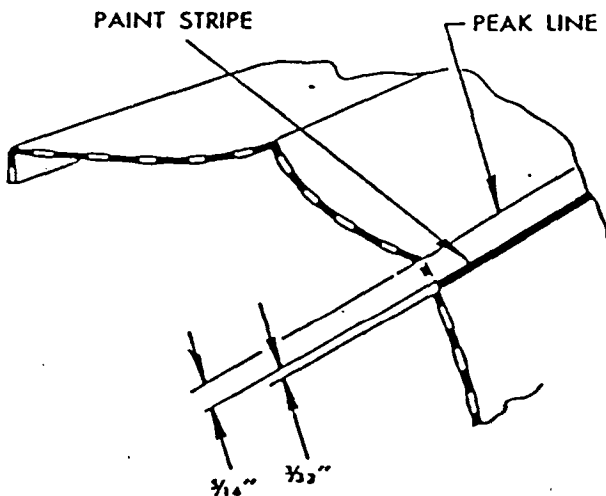

A. Spacing of tape on the panels should be as follows:

GTO Models -- Top of stripe should be $5/16"$ below the accent line on the upper edge of the panel. The top of the tape will follow approximately $1/8"$ below this accent line (Fig. II).

2+2 Models -- The top of the upper paint stripe should be $5/16"$ below the accent line on the upper edge of the panel. The top of the tape will follow this line. The second stripe will be spaced $1/8"$ below the top stripe (Fig. III).

B. On severe corners, such as are encountered at the rear quarter panel extension, it will facilitate installation of the tape if the required length is cut, separated and applied as individual strips in the proper sequence.

C. Sight down the length of the panel and check for accuracy of tape line.

Beauty and the Beats

For the second time, the world's longest cruise travels the 60-plus miles from the Union County Fairgrounds in Marysville to the Fairfield County Fairgrounds in Lancaster. Highlighting the day's entertainment will be America's No. 1 Rock & Roll Revue, **The Van-Dells**. Also featured will be **The Mimi Rousseau Band**, **Beauty and the Beats**, ventriloquist **Mark Wade**, special appearances by B-97 personalities and other entertainment.

Spectators can catch all the action for just \$5, and parking is FREE! Children 12 and younger get in FREE.

Help send a child with a life-threatening illness on a dream vacation while taking in a full day of fun, top-name entertainment, games, music and activities for all ages.

11 years and nearly 70 families later

Life-threatening illness is a difficult thing for any human being to cope with. But imagine if you will: parenting a child who must live with pain and illness, hospital and medication bills and even more financial burdens on top of it all. And the child is not a victim of this situation every year.

It can also provide a ray of hope for families from that same area and in some small ways bring a little joy into a child's heart. Whether it's a stroll through the Magic Kingdom or just a chance to feel the warmth of a tropical breeze for a short time, our efforts and yours can give them that extra bit.
