## A Letter from the Editor

I hope I don't jinx us, but it sure has been an easy winter hasn't it? Salt was still spread down but it sure has been tempting to get out a car. I just sincerely hope we aren't in for a late March or even April winter storm. Hence the reason for me knocking very deliberately on my wooden desk!

Regardless of what Mother Nature has in store for us for the remaining winter and the early spring, before long the 2012 classic car season will be upon us.

As a club, we are planning on doing a lot of things together. Stan and Pam Farlow are hard

at work looking for events we can go to together. Even proposing cruising some where once a week or some other frequency throughout the entire season. Lonnie is already planning a May cruise to the Air Force Museum.

Our second annual Summer Night Cruise-In and 28th Indian Uprising planning is underway. Kevin Landis is scouting sights, engaging our sponsors and making plans. See the meeting minutes inside for more information.

Once again, I'll renew my plea for members to volunteer to be in the Member Spotlight.

Steve Schaeffer and I can continue to bring you content, but I think everyone would like to hear some history of the members we all know and love.

Otherwise you may have to be bored soon with my engine project. Yes, I'm going to get the 68 YS 400 into the car. With this weather, I'm planning on starting sooner than later.

It was good to see those of you who came out to the Holiday Party. Enjoy the pictures! See you soon!

—Kevin

# 2012 Holiday Party

To avoid a lot of conflicts with the many family gatherings we all have during the holidays, the club holds our holiday party after the holidays. While I usually like to save events for the month's Paw Prints following the event, it was just too tempting to break that tradition. The food was great as was the company! We had a good turn out and while no one was "inspired" (or should that be intoxicated?) enough to karaoke, at least we had fun trying to coerce some members to break out in song.

We also had some DVDs going where we got to see American Muscle Car's GTO episode and some home movies of Ron Cozzo's starring him as a young boy, his dad as a damn good drag racer, and his awesome 65 GTO! I was glad to see a lot of you there and those who couldn't make it, we missed you! Enjoy the pictures. Next up is the swap meet!
