It wasn't hard to figure out what this month's edition of your Paw Prints would highlight. Our 34th Annual All Pontiac Indian Uprising!

Between results and pictures, there was plenty to fill up the pages that follow.

It was the best year of weather we've had for our show in a LONG time! Not only that but it was the best venue we've had in a long time! We will be returning to the Polaris Quaker Steak and Lube for next year's show! By the way, next year's show will be our 35th!

With the season coming to an end, let me highlight the last few events coming up. First is

Colo's Classic Car Show (AKA The Zoo Show) on October 7. Our club is being asked to help with parking and judging again. See inside these pages for how to contact Jeff Inskeep to volunteer.

Our fall club cruise is October 20. We will return to the Raven's Glenn Winery and Restaurant. Rain or shine. Rain? Bring your daily driver. Shine, maybe bring out your GTO for one last ride! RSVP to Stan Farlow (skfarlow@aol.com) to reserve your spot. It's a great place with great food and wine!

Don't forget that the 2019 GTOAA Nationals is just outside Cincinnati in Lawrence-

burg, Indiana! Host hotel rooms are starting to run out, so if you plan on going, or even if you aren't sure, better reserve that room. Also, the OV-GTOA is looking to us to help out at next year's Nationals. They will be at either the October or November meeting to talk with us about that.

2019 club officer elections are coming. Consider serving the club and running for an office!

Until I see you at the Zoo, at a meeting or at our fall club cruise have fun and stay safe!

—Kevin

's Letter

It 's fall already. Our All-Pontiac show is over. The Club Picnic is over. It 's in the low 60s, overcast and raining. The season could be wrapping up----but it 's not quite done yet.

October 7 is Colo 's Classic Car show at the Columbus Zoo. We will be helping with the show by parking show cars, and helping with judging. The show is moved due to construction and will be held in the parking lots so our job will be easier this year. There will still be a dedicated area for club cars. Make sure you contact me or Jeff Innskeep to get on the VIP list before the show. You should have already received an email. If not give me a call and we will discuss. Volunteers will be meeting at Marie 's Scrambler on Sawmill at 6:15 for breakfast on show day.

On October 20th we will be taking a cruise to Raven 's Glenn winery for Lunch. Several of you went a few years ago and know this is a very nice winery and restaurant. Pam and I always look on this place as a special treat—so much that we may have to take more than one route planning trip.

The Ohio Valley GTO Association will be at either our October or November meeting to talk about the GTOAA Nationals next year and where we can be of help to them. The event will be from June 25-29 in Lawrenceburg Indiana. We think it will be a good time and it 's certainly as close to our club members as the Nationals will ever be. Plan on coming along to help make this a good show and to help our Club make a strong showing.

We will be nominating officers for 2019 at the October meeting. I 'm sure you will want to be there to volunteer for service—or to protect yourself. Then we will vote at the November meeting.

A few club notables: With help from Ron Cozzo, Rob Williams has his 66 Convertible in the shop for final work (it looked awfully good to me as is, but wasn 't up to Rob 's standards). After many years it is running and drivable again. Stephen Leonard drove his 67 hardtop to the picnic for its first outing after restoration. It 's very good to see a couple more GTOs back on the road. Finally, Bill McWhorter became the 95th member on our roster. Our roster grows and shrinks more than I ever dreamed, but this month it 's at 95 and I think that is a great number. Now we need to focus on increasing our GTOAA membership.

Finally a note about the hobby. It 's easy to think that the younger generation isn' t interested in GTOs or cars in general. Everyone is focused on self-driving cars and cell phones. Driving is just an inconvenience to be endured while going from point A to point B and "social" goes with media instead of interaction. Well, my grandkids were at the club picnic this year. They thought the old cars were beautiful, especially the ones without roofs. Afterwards, grandpa and 5 year old Luke went for a ride around the back yard--- a dozen or so doughnuts later he thought a GTO with no roof was a whole lot of fun. Maybe the preservation of the hobby rests with our willingness to reach out to some of the younger folks and show them that the old cars are a whole lot of fun. We still have a few more weeks of good weather; enjoy your GTO and the fall weather.

34th Annual Indian Uprising Discussion - Everyone was pleased with the show except the temperature.

Comments were: More Firebird classes? Judging sheets need some review/revision for modified cars. How to judge trunk sheetmetal on a modified car with a finished trunk? Probably should update the judging sheets and provide some judge training. Needed more judges. Some that signed up weren't available at the assigned time. Overall, good show, good location. We'll book the same Sunday before Labor Day at QS&L for next year.
